

Appendix A-3

**PUBLIC PARTICIPATION PLAN FOR THE
TOWN OF CLYDE, WISCONSIN**

We plan to hold a public meeting in conjunction with our Town Annual Meeting in April. More people attend the Annual Meeting than any other held in Clyde. At this time we will update folks on the Smart Growth activities and initiate public input into revising our current Long Range Plan. A meeting notice will be posted in the Dodgeville Chronicle and at the Clyde Community Center. Further input will be encouraged through our Long Range Planning Commission meetings.
